

FARRIS

CHARACTER TRAITS

Give It a Whack

When a free ball is within this model's melee zone during its activation, it may make a kick as if it were in possession of the ball. The kick distance and ball path of this kick are measured from the current location of the free ball.

Sentinel [1" Aura]

While within this aura, friendly Apprentice models gain +1 ARM.

LEGENDARY PLAY

Ride Off [6" Aura]

This model gains +1/+2" KICK and may make a kick once during its activation without spending influence.

If this model has the Captain model type, while within this aura other friendly models gain +1/+2" KICK and may make a kick once during their activations without spending influence.
