

CINDER

CHARACTER TRAITS

Kindled [Furnace]

If this model starts its activation within 6" of the named friendly model, this model gains Burning Strike for the remainder of the turn.

(Burning Strike: Enemy models damaged by this model suffer the burning condition.)

● **Far Strike**

Once per turn during this model's activation, if an enemy model is within 6" of this model and in its line of sight, this model may declare an attack against the enemy model as if engaging it.

● **Unpredictable Movement**

Once per turn when an enemy model ends an advance within this model's melee zone, this model may immediately make a 2" dodge.
